

PRODUCT DATA SHEET

Model PT0777

6 Way Power & Surge Board with RFI & Computer Protection

High quality 6 way powerboard suited to domestic and commercial applications.

This model PT0777 is a high rated unit offering surge and overload protection to your appliances. Avoid damage that can be caused by unpredictable power surges. Protect valuable audio, video, entertainment and computer equipment.

Extra long power lead, right angle power plug to fit easily and neatly behind furniture. Protection from both EMI and RFI (Electromagnetic and Radio interference) is an added feature.
