

## PT6363 5 outlet power block With securing loops

Features unique securing loops to ensure you don't accidentally pull the plugs out from the sockets. The mains cables simply loop through fasteners to keep them in place. The bright orange colour makes it highly visible adding safety. An integral on/standby switch allows safe insertion/removal of mains leads. Ideal for home handy men and gardening.

### Features:

- Cable loops to stop leads from pulling out
- Bright orange colour
- Overload protected
- 5 outlets

### Product information:
